

Nudge Documentation Template

Title

Give your nudge a clear, concise title.

Tag Line

Summarize the core idea of the nudge in a short, catchy sentence.

Target Behavior // link to problems from WP3

What specific educator behavior are you trying to influence with this nudge?

Description of the Nudge

Provide a detailed description of the nudge. What is the problem it addresses? What behavior does it seek to encourage?

Nudging Technique

Identify the nudging technique(s) used (e.g., default options, feedback, simplification, social proof, etc.).

Implementation Steps

List step-by-step instructions on how to implement the nudge in practice.

Classification Criteria

Assess the following factors:

- Cost of implementation
- Time required for implementation
- Ease of implementation
- Digital tool(s) involved
- Level of impact (low, medium, high)
- Scalability (can it be applied across contexts?)

Expected Outcomes

Describe the expected outcomes or results of the nudge. How will you know if it has succeeded?

Evaluation and Metrics

Identify key metrics or indicators that will be used to evaluate the success of the nudge.

Challenges or Risks

What challenges or potential risks are associated with implementing this nudge? How can they be mitigated?

Resources Needed

List any resources (e.g., digital tools, training materials, support staff) required to implement this nudge.
